Hamlin Houses Will Close Saturday 3:00 P. M. For "G.I. Jamboree"

PROCLAMATION

Whereas, The War Department and the War Activities Committee, have seen fit to bring to the City of Hamlin, the "G.I. Jamboree," in the interests of the Sixth War Loan Drive, to be given on Saturday, December 2, 1944, at 3 P. M. on the streets of Hamlin.

And, whereas, this is your opportunity to help our fighting sons to get the job over, over there.

Now, therefore, I Joe Culbertson, Mayor of the City of Hamlin, Texas, by virtue of the powers vested in me, do hereby respectfully request that all business houses within the City of Hamlin, close their places of business at 2:45 P. M., Saturday, December 2, 1944, and remain closed until the end of the "G.I. Jamboree" program.

Witness my hand this 29th day of November, 1944.

JOE L. CULBERTSON, Mayor,
CITY OF HAMLIN, TEXAS

Hamlin Bond Sales

According to T. A. Upshaw, Sr., of Stamford, County Chairman for the 6th War Bond Sales in Jones County, Hamlin, at night last Saturday, had purchased 44% of her quota of "E" Bonds; Anson, 38% and Stamford 22%.

The overall purchases showed Hamlin 26%; Anson 33%; and Stamford 13%.

The big "G.I. JAMBOREE" program on Hamlin's Main Street, Saturday afternoon should cause every person who has any money to buy all the bonds he can. Don't miss this big show.

Mrs. Tom Neely and daughter, Mrs. B. L. Jones, Jr., were here Friday to visit Mrs. C. C. Prater and family.

Mrs. Frank M. Smith, Jr., of Carlsbad, New Mexico, was here this week to visit her mother, Mrs. Walter Abbott.

Farmers Voting For AAA Committeemen Friday, December 15

A second election, this one without parties, speeches and torchlight parades, and limited to the farmers of the nation, will be held December 15. Every farmer taking part in the AAA programs will have an opportunity to vote for community committeemen.

The places and dates of community election meetings in Jones County are:

Time: Friday afternoon, December 15 at 2:30 P. M.

Places: Hamlin, Plainview, Boyd Chapel, Anson, Sinclair, Pleasant Hill, Noodle, Stith, Hodges, Hawley, Centerline, Oak Grove, Wilcox, Lueders, Corinth, Avoca, Swenson, Stamford.

The farmers elected at these meetings will be responsible for insuring maximum benefits to farmers of their communities for the many programs and activities of the Agricultural Adjustment Agency. The work of local committeemen includes explaining AAA practices, certifying applications for payment, assisting with storage and loan programs and working on the disposition of surplus war property.

More important than anything else J. W. Griffith, County AAA chairman, points out, the organized effort made possible by the elected farmer committeemen puts American agriculture in a position to act quickly and unitedly in the reconversion to peace, just as it made agriculture the first in effectively adjusting to the needs of war.

All farm operators, men and women, who will take part in the program in 1945, are eligible to vote in community elections. In addition to electing community committeemen, the meetings also will name delegates to a county convention to be held later to elect county committeemen.

TURNIPS INSTEAD OF FLOWERS OR BRUSH

Out in front of Rev. and Mrs. L. K. Malone's farm home east of Hamlin, is a drive-in space, rather wide and ample. This year it seems Mrs. Malone has gotten a hustle on the venerable minister of the gospel, now up in his 85th year. Any way, Rev. Malone sent the "hungry" editor in a sample of what he can grow on the hillside, by the road side. Did you ever see such whopping big turnips? They were good, too. That means we took them home and had one of those early hog-killing dishes, except minus the fresh pork, that goes so well with well-cooked and seasoned turnips. If the Japs had a hole in the ground as deep as those turnips made, it would be hard for our boys to dig 'em out. Thank you, Clarence Hyer, for proving an old-fashioned preacher and his good wife can grow things to eat, and here's a tip...better keep an eye on those fine hens out there.

Mr. and Mrs. R. L. Boiles are parents of a son, weight 7½ pounds, born Monday, November 20, in Hendrick Memorial Hospital in Abilene. The mother and baby returned home Thursday of last week.

Buck Wilemon left Monday for Kingman, Arizona, to accompany his wife home after a visit there with their daughter, Mrs. Landon Davis, Jr. Mr. Wilemon was accompanied by S/Sgt. and Mrs. Charles Prater who were on their way to California where Sgt. Prater will be reassigned, and by Mrs. Landon Davis who went for a short visit with her son, Lt. Landon Davis, Jr., and wife.

Mr. and Mrs. John F. Green visited last week in Sanderson, Texas, with their daughter-in-law, Mrs. John F. Green, Jr., and little son, Johnnie, and Mr. and Mrs. T. A. Bailey. While there, Mr. Green enjoyed a deer hunt.

Mrs. J. M. Kiser, sister of Mrs. J. P. Morgan, returned to her home in Teague, Texas, last Friday, after being here the past five weeks.

Mr. and Mrs. Prentice Graham and children, Glenda and Donald, of Wichita Falls, and Mr. and Mrs. C. M. Abbott, of Truscott, spent Thanksgiving here with their mother, Mrs. W. S. Graham.

Vows Recited In Pretty Home Wedding

Miss Elva Greenway, daughter of Mr. and Mrs. J. C. Greenway, of Hamlin, and Mr. E. J. Horton, son of Mrs. M. E. Horton, of Hico, were married Monday evening, November 27, in the home of the bride's parents. The ceremony was read by the Rev. J. Henry Littleton, of Anson, as the couple stood before an improvised altar of gold and bronze chrysanthemums, flanked by tall baskets of chrysanthemums in the same autumn shades and floor candelabra holding lighted gold candles.

The bride wore a two-piece dress of brown with harmonizing accessories, and a brown orchid corsage.

Following the ceremony, a reception was held for the relatives and intimate friends who were present for the wedding. The bride's table, covered with a lace cloth, held the silver coffee service and the two-tiered white wedding cake which was encircled with tiny yellow chrysanthemums. Mrs. Ross Fomby and Miss Adele Dixon poured coffee and Mrs. W. R. Wilkerson and Mrs. Lesley Shelburne assisted in serving.

Mrs. Horton, a graduate of Hamlin High School, attended Mary Hardin-Baylor College and Hardin-Simmons University. She is now engaged in the floral business in Hamlin.

Mr. Horton, a station engineer, is employed with the Humble Oil Company in Hobbs, New Mexico.

To Discuss Post War Military Training

On Sunday afternoon, December 3, 1944, in the Wooten Hotel, Abilene, Texas, there will be a public meeting of school teachers, ministers of the gospel, war workers, business men, professional people, and all citizens interested in a discussion of Universal Military Training after the war.

All citizens interested in the future International Welfare of the United States are urged to attend and take part in this meeting. This is an educational program sponsored by the American Legion. The meeting will be presided over by Bob Fielder, Commander of the Abilene American Legion Post, and the principal speaker for the occasion will be Bertram Giesecke of Austin, Texas.

A. L. Stell, Commander,
Seventeenth District.

Mrs. Melvin Hargrove and daughters, of Levelland, spent Thanksgiving with Mr. and Mrs. W. C. Hargrove and family.

Mr. and Mrs. Robert May of Colorado City and Mrs. Frank Johnson of Rotan were here Sunday to visit their parents, Mr. and Mrs. M. P. May.

L. B. Pribble left Wednesday for Hobbs, New Mexico, to spend a few months and to assist his wife who is caring for the Pribble Bros. floral business while their two sons are in the service.

Mrs. W. F. Martin was here Tuesday visiting friends and attending to business. She has recently returned from Camden, N. J., where she attended ceremonies for the commissioning of a patrol cruiser which is to be commanded by her son, Lt. W. F. Martin. Mrs. Martin was accompanied by her sisters, Mrs. Ada Hartough of Abilene and Mrs. E. E. Morris of Los Angeles, Calif.

Mrs. J. C. Turner and Mr. and Mrs. J. M. Williams, of Walters, Oklahoma, spent Thursday and Friday of last week with Mr. and Mrs. John C. Turner.

HAD SUCCESSFUL HUNT IN MASON COUNTY

Mr. and Mrs. Chuck McCurdy and Mr. and Mrs. Merle Woodard of Brownwood had a very successful deer hunt on the White Ranch in Mason County. Mrs. McCurdy was the first to get a deer and was so happy and excited she had to call "Pop" Roy McCurdy here and tell him the good news. Roy said, "She sure was excited, because she even paid for the call." Chuck kept on till he got a big buck to bring home, too, so he saved his face, even though he didn't get the first one.

Mrs. Charles Prater Gift Tea Honoree

Mrs. Charles Prater was honored with a lovely gift tea Friday afternoon in the home of Mrs. Hefflin Miller on Central Avenue. Co-hostesses with Mrs. Miller were Mmes. Holly Toler, Roy McCurdy, O. C. Gilbert, W. C. Russell, O. D. Roland, G. Cleve Dunn, Kent Jones, W. W. Green, Frank Waggoner, Miss Marguerite Nobles, and Mrs. Weldon Johnson, of Sagerton.

The entertaining rooms were beautifully decorated with chrysanthemums and carnations. The tea table, covered with a white linen cloth, was centered with a crystal bowl of red and white carnations and was lighted with white tapers in crystal holders.

Mrs. Miller invited guests into the living room and presented them to the honoree, Mrs. Charles Prater. Others in the receiving line were Mrs. C. C. Prater, Mrs. Tom Neely and Mrs. B. L. Jones, Jr., of Abilene. Mrs. Toler directed to the dining room, where Mrs. Roy McCurdy and Mrs. O. C. Gilbert poured tea. Assisting in serving were Mrs. W. C. Russell, Mrs. R. J. Mathis, Mrs. O. D. Roland, and Mrs. Weldon Johnson.

Mrs. B. J. Martin registered names in the guest book and Mrs. B. M. Brundage and Mrs. W. W. Green received in the rooms where gifts were displayed. Good-byes were said by Mrs. Frank Waggoner.

Rites Held in Dallas For Mrs. E. T. McGee

Funeral services were held Wednesday morning at 10:00 o'clock in Dallas, for Mrs. E. T. McGee who died at her home, in that city, at 8:00 o'clock Monday evening.

Mrs. McGee was a real Jones County pioneer; she and her husband came to this county in the early days, and for many years lived on their farm near Neinda. Later they made their home in Hamlin and then moved to Dallas where Mr. McGee died several years ago. Since that time, Mrs. McGee has made her home in Dallas, with the exception of a short time spent in Hamlin.

For more than 60 years she has been a member of the Baptist Church and was an unusually close student of the Bible.

Her daughter, Mrs. Burns Eakin, of Hamlin, has been in Dallas during her mother's illness. Mr. Eakin went to Dallas Tuesday to attend the funeral.

METHODIST CHURCH NOTES

E. L. Yeats, Pastor

Rev. O. W. Carter, our new District Superintendent of the Abilene district, will be with us next Sunday morning and will conduct the service. You will enjoy his message.

We find a pleasant and joyous spirit prevailing in the Men's Bible class taught by Mr. G. R. Bennett. Mr. Ed Bailey, the class president, has requested that we give this class the publicity that it so richly deserves. If you are not attending some Sunday School, you will find in this class something unusual in the way of warmth of spirit and mental food in the message. We welcome you to these good messages. You meant to come last Sunday, I am sure. Come on. We urge you.

The Merkel meeting was attended by Mr. and Mrs. Ed Bailey, Rev. and Mrs. E. L. Yeats, Mmes. C. F. Butcher, Moore, C. P. Yates, and A. Hackley.

Too Much To Plow

This week the Herald has had too much to "plow" with a "scooter stock," and a bony old horse—to get all the jobs done that an old plow-boy wants to do. Therefore, a lot of real good news will not be seen this week—maybe next week. Nobody regrets a situation like this more than those who run the paper—maybe it will get better, maybe worse. Don't grumble at the "one-row" plow-man.

HAMLIN BOY RECEIVES CITATION FOR SERVICE IN ETO

Pvt. Harold Green, son of Mr. and Mrs. Banks Green of Hamlin, has received the following citation: "HAROLD GREEN, 6957905, Private, Battery C, 44th Field Artillery Battalion for heroic service in connection with military operations against an enemy of the United States in Normandy, France from 6 June to 1 August 1944. Private GREEN rendered invaluable service as a radio operator with a forward observer's party. In order to obtain good fields of observation, his party operated with the forward elements of the infantry. Private GREEN carried his radio over difficult terrain and was frequently a target for enemy fire. His efficiency under adverse conditions was instrumental in maintaining radio communication between the forward observer and the artillery positions. Private GREEN's initiative, technical skill and devotion to duty reflect upon him and the military service."

"How women and girls may get wanted relief from functional periodic pain"

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

About Soldiers--Sailors

S/Sgt. Max Giles was here Tuesday to visit Mr. and Mrs. Cliff Reynolds. Max has just returned from overseas, having spent two and one-half years in New Guinea where he got a front-line view of the treacherous enemy we are fighting in the Pacific. Giles had an experience that would make any soldier wonder if hard luck weren't dogging his steps: He stayed in the Southwest Pacific over two years and never had malaria, but on his way home to Abilene to visit his mother and other relatives, he was forced to leave the train at El Paso and enter the hospital at Ft. Bliss because of an attack of malaria. "That's something that shouldn't happen even to a mess sergeant—in West Texas," he said. Sgt. Giles has been in the service four years, having been called when the National Guard was mobilized. Prior to this, he was employed at Reynolds Drug. He left Wednesday for Santa Barbara, Calif., for reassignment.

Sgt. Don Coles returned to his station at Camp Cook, Calif., after a furlough here with his parents, Mr. and Mrs. C. T. Coles.

The Herald notes a change of address for T/Sgt. Bryan Phenix, of the Marine Air Corps, who is now located in San Diego, Calif. Bryan was at home on leave recently to visit his parents, Mr. and Mrs. Carl B. Phenix, after having served fourteen and one-half months in the Southwest Pacific with a fighter squadron. He is entitled to wear the Blue Presidential ribbon for the citation which his unit received for its participation in the Battle of Bougainville. Bryan is a very modest fellow and we are sure that he has seen a lot more of the Pacific war than he let on.

RECEIVES COMMENDATION
Edgar Joiner, formerly of Hamlin, sends in a clipping from a Bellflower, Calif., paper citing a commendation won by his stepson, R. G. Smith, in the Battle of Guam. The commendation says, "On the morning of July 26, Hospital Apprentice Smith, without concern for his own personal safety, went forward through exposed territory that was under heavy rifle, machine gun and mortar fire, and assisted in removing two wounded comrades to a place of safety. His conduct was in keeping with the highest traditions of the U. S. Naval service."

Edgar Joiner is a son of Mrs. A. S. Joiner of Hamlin.

AWARDED SILVER STAR

A. V. Raley was in to visit the Herald Wednesday and he reported that his son, Chaplain Truman Raley who is in France or Germany, had received the Silver Star for gallantry in action. The full particulars have not been learned. Another son, Lt. (j.g.) Luther Raley, has come out of the Naval battle of the Philippines in good shape. Still there is another son, Milton Raley, who will soon get his Wings at the Pecos Army Air Field. (We should have said "Captain Truman Raley, Chaplain," as he has had that rank for some time.)

CHRISTMAS

"Peace on Earth Good Will Toward Men"

HERE'S
the
Answer
See Bryant-Link
Company!

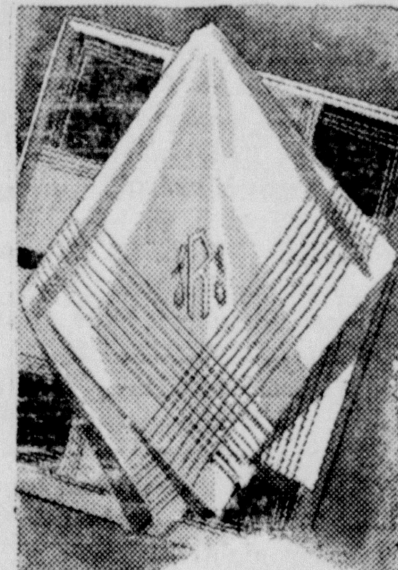

ANOTHER year. Another Christmas. Once more children look up, the very Star of Bethlehem reflected in their eyes as they hear the story of the infant Jesus. Once more the parents of little children everywhere pray that there should be peace on earth—for never before in all history, has His lesson been more worthy of repetition. Good will toward men—let every man say it over and over. Let it be instilled in the hearts of those just learning the ways of life. Nor is there any man who can observe Christmas reverently—without doing sacrilege to His name—if that man fails to practice the lesson of "Good will toward men!"

POT-SHOTS FROM MCCAULLEY

BY GEO DARDEN

Thanks to W. R. Perryman for a renewal to the Herald for one year. Is your subscription about out, neighbor?

The sun is shining again after several days of cloudy weather. Perhaps this week will be another cotton picking week. About 30 per cent is still in the fields in this community.

Christmas is just around the corner, and window-shopping the past few days makes a fellow wish he had plenty of money to spend on hundreds of little friends who still believe there is a Santa Claus.

The McBeth oil well No. 1, east of Rotan, is causing quite a bit of excitement; it, being a deep test, makes McCauley folks wish for a deep test in the local field.

We notice in the Abilene paper that our local neighbor community, Histon, went over the top with their Sixth War Loan drive. We only hope that McCauley will do like-wise this Tuesday night.

If you haven't mailed that Christmas package to that boy overseas, you had better do it now. Remember, it is quite a jump across the pond.

Lt. W. H. Pickron, Jr. from Ft. Sumner, N. M., spent last Friday night with his parents in Hamlin.

Sgt. J. B. Jayroe returned to his station in Indiana last week after several days visit with his mother, Mrs. Vera Jayroe, in McCauley.

Small grain in these parts is growing by leaps and bounds since all the fine rain.

Mr. and Mrs. Turner Houghton and daughter from Roby spent last Sunday in the home of his parents, Mr. and Mrs. Sharmon Houghton.

Mr. and Mrs. B. F. Mason visited last week in the home of his mother, Mrs. Flora Mason, and family.

Lieutenant and Mrs. Ivan Mustain, of Harlingen, Texas, are visitors for

a week in the home of his mother, Mr. and Mrs. C. A. McHone and daughter.

Pvt. Buford Jackson, son of Mr. and Mrs. W. C. Jackson, is home on leave from his training base in Illinois.

Chief Petty Officer Marvin Davison, of the U. S. Navy, and wife are visiting in the home of his parents, Mr. and Mrs. W. F. Davison. He is stationed at the Great Lakes Naval Station.

Mr. and Mrs. Wayne Webb and sons and Betty and Callins George attended an ordination service at Paducah last Sunday. A preacher and two deacons were ordained. They also visited friends at Valley View.

Mr. and Mrs. Bill Eivans of Odessa visited her parents, Mr. and Mrs. Frank Jackson, over the week end.

Mr. and Mrs. Ellis Eivans and children, of Fort Worth, were week end visitors with parents and other relatives in this community over the week end.
